**Minister’s Minute:** Hope that everyone had a blessed Christmas with continued blessings in the New Year. Sunday was the Feast of the baptism of the Lord, and the last day of the Christmas season. We now return to Ordinary Time. Back to the normal routine of life. And your new council is faced with the task of planning what the fraternity should do this year. Perhaps you are expecting turn over this page and find our annual vision survey form. Sorry to disappoint you. the council has decided instead to follow a different course and use a substantial portion of our January fraternity meeting for small group discussions. Several of the questions to be used follow below. By sharing ideas with one another about where we have come from and where we are now, we can figure out together where we should be headed and how the fraternity should support that direction.

But we will also have some fun at the next meeting. We will continue our tradition of extracting a saint, scripture verse and prayer partner for 2020. Looking forward to hearing a burst of ideas at our next meeting. And if you are unable to make the meeting please inform one of the council members so we are not left worrying about you and wondering if you are in need of prayers or other support.

**Well4Africa:** Accompanying the Porter for January 2020 is a letter from Tibor Kauser our General Minister, providing us with an update on the Well4Africa initiative. As many of you may already know, this initiative was born as a particular fruit of the 3rd European OFS and YouFra Congress, which took place in Lithuania, 20-26 August, 2018. The purpose of this initiative was to ensure safe drinking water for three different communities in Uganda, Zimbabwe, and Malawi. After the Congress, seeing the big support from other National fraternities, the CIOFS Presidency decided that "Well4Africa" became a permanent project for the entire Secular Franciscan Order ensuring its management to the National Council of Lithuania.

Thanks to the common efforts of European Franciscan Family and people of good will, current financial situation of "Well4Africa" is as follows: The total amount collected from the beginning of the initiative up to 8 December 2019 was **97 693 Eur**. The amount spent on projects by 8 December 2019 was **60,945 Eur**. And the amount left for upcoming projects was **36 748 Eur**.

You can follow update numbers, current and upcoming projects in [well4africa.eu](http://well4africa.eu) front page. Well4Africa has fully implemented 2 projects and has two ongoing projects. This apostolate presents a great opportunity for Saint Conrad's Fraternity, especially in our charitable contributions throughout the year. It would allow us to join in fraternity with our regional, national and international sisters and brothers in prayer and annual support.

**Franciscan Prayer** This version of the prayer is based on the simple text found in a majority of Latin manuscripts. As it became more popular, the prayer was embellished and lost some of its simplicity.

Most high,  
glorious God,  
enlighten the darkness of my heart  
and give me  
true faith,  
certain hope,  
and perfect charity,  
sense and knowledge,  
Lord,  
that I may carry out  
your holy and true command.
