APOSTOLATES

Lighthouse Shelter Lunches Postponed ▫ We will continue to provide the Shelter with some cash donation each month so they can shop and make lunches inside the Shelter.

Fraternity still helps to support the purchase of bus passes for residents - Residents of the Shelter use them to travel to/from work, Dr. appointments, etc. St. Conrad has presented the Shelter 100 all-day bus passes (cost: \$200) quarterly for the past several years. The Shelter is so grateful for these because the cost of these passes would have to come out of their operating budget.

Phoenix Academy Backpack Program Postponed ▫ The school is closed since March. We continue to provide the Phoenix Academy with a cash donation to assist some of the teachers and staff in need. We will start up the program once we hear from the school's social specialist and coordinator of the backpack program.

Franciscan Family Apostolate #1178 ▫ Franciscan Family Apostolate: This is the only apostolate that is funded directly from the Fraternity's General Treasury and is always \$100 per month to a particular family in need in India. The Fraternity has been supporting this apostolate for several years and we are now donating to our second family in the state of Kerala, India. Over this past year and a half, you should have read the stories in the PORTER of our newest family that has been referred to us. I would like to thank all of you for donating monthly in support of our Fraternity and its services near and far.

MINISTER'S MINUTE

The Minister's Minute Is not available this month.

“To see the infinite pity of this place, The mangled limb, the devastated face, The innocent sufferers smiling at the rod, A fool were tempted to deny his God. He sees, and shrinks; but if he look again, Lo, beauty springing from the breast of pain! – He marks the sisters on the painful shores, And even a fool is silent and adores.”

Scottish Poet Robert Lewis Stevenson made a trip to Molokai to meet Mother Marianne Cope and see the leper community there. He was inspired by her determination to create a warm and fulfilling life for those in her care. He penned a poem, Reverend Sister Marianne Matron of the Bishop Home in her honor:
